Fellows currently in training	R1	R2	R3	R4		

A. ADMINISTRATIVE STRUCTURE					
There must be an appropriate administrative structure for each training program.					
STANDARD	Met	P. Met	Not Met	NA	Comments
1. Program Director					
1.1 Should be SCFHS certified consultant peridontist					
1.2 Sufficient time & support (minimum 12 hour a week)					
1.3 Coordinating with dental administrative director, academic affairs or equivalent, & local supervisory committee.					
1.4 The existence of an independent office for the program director					
1.5 Have an assistant or deputy (in centers with ten or more trainees).					
2. Residency Program Committee (applicable only in centers with four or more full-time trainees or full accreditation)					
2.1. Headed by the program director					
2.2. Representation by consultants participating in training.					
2.3. At least one resident elected					
2.4. At least meets quarterly; minutes kept					
3. Program Director & Committee responsible (duties overseen by local committee, unless center is fully accredited)					
3.1. Selection of candidates					
3.2. Promotion of residents					
3.2.1 Organize remediation for residents not meeting required level of competence					

3.3. Appeal mechanism					
3.4. Stress counselling					
3.4.1 Residents aware of services available & how to access them					
3.5. Ongoing review of program with documentation at end of each rota					
3.5.1. Opinions of residents used in review					
3.5.2. Appropriate faculty/resident interaction, open & collegial discussion and respects confidentiality					
3.5.3. Evaluate teachers					
3.5.4. Provide teachers with honest/timely feedback					
3.6. Policy governing residents and patient safety	Includes educational activities				
	Mechanisms to manage and implement resident safety				
	Residents/consultants aware of mechanisms in place				
4. Program Coordinator (secretary)					
4.1. Secretarial office (full/part time)					
4.2. Personal computer					
4.2.1. Internet Access					
5. Training consultants to facilitate & supervise resident & research					

*OTR: Objectives of Training for the Specialty or Subspecialty

B. GOALS & OBJECTIVES					
There must be a clearly worded statement (provided by the scientific council) outlining the goals of the residency program and the educational objectives of the residents and implemented by the institution/center.					
STANDARD	Met	P. Met	Not Met	NA	Comments
1. Statement of overall goals of training					
2. Defined G&O for each CanMED competencies (if applicable)					
3. Level specific G&O (knowledge, skills & attitudes) using the CanMEDS framework or others.					
4. Residents/Consultants receive copy of G&O					
4.1 Objectives used in teaching, learning & assessment					
5. G&O reviewed every 4 years					

C. STRUCTURE & ORGANIZATION OF THE PROGRAM

There must be an organized program of rotations and other educational experiences, both mandatory and elective, designed (provided by the scientific council) to provide each resident with the opportunity to fulfil the educational objectives and achieve required competence in the specialty or subspecialty.

STANDARD	Met	P. Met	Not Met	NA	Comments
1. Provides all components in the SCFHS specialty documents					
2. Residents appropriately supervised					
3. Each resident assumes senior role					
4. Service demands do not interfere with academic program					
5. Residents has equal opportunity to meet educational needs					
6. Opportunity for electives and rotations in other accredited centers as needed					
7. Teaching and learning in environments free of intimidation, harassment, abuse and promotes resident safety					
8. Collaboration with other programs in interdisciplinary management.					
9. The center should be committed to what is stated in the duties and rights of the residents document that is issued by the SCFHS					

D. RESOURCES

There must be sufficient resources including teaching faculty, the number and variety of patients, physical and technical resources, as well as the supporting facilities and services necessary to provide the opportunity for all residents in the program to achieve the educational objectives and receive full training as defined by the SCFHS specialty training requirements.

STANDARD	Met	P. Met	Not Met	NA	Comments
1. Sufficient number of qualified staff for training & supervision (Minimum ratio of number trainers to number of residents per session is 1:3)	1.1 ≥ least 2 SCFHS certified consultant in schedule				
	1.2 Set Weekly Supervision Schedule				
	1.3 Trainers exempt from clinical/job obligations and dedicated to schedule.				
2. Dental Services					
2.1. Dental Clinics (set to treat 4-6 pts/day)					
2.1.1. Equipped with periodontal equipment/material					
2.1.1.1. 8 surgical kits/resident					
2.1.1.2 10 perio kits/resident					

2.1.2. Equipped with implant equipment / material						
2.1.3. DA/resident ratio 1:1 (closed setting) – 1:2 (open setting)						
2.1.4. Clinical sessions ≥ 6 clinics / week per resident						
2.2. Related Speciality (participating in management/consultation and available for referral)	No of consultants					
2.2.1. Endodontist (≥ 1)						
2.2.2. Prosthodontist (≥ 1)						
2.2.3. Periodontist (≥1)						
2.2.4. Restorative (≥1)						
2.2.5. Orthodontist (≥1)						
2.2.6. OMFS (≥1)						
2.3. Interdisciplinary case management seminars						
2.4. Periodontology Treatment Plan Sessions (1/month/resident)						
2.5. Periodontology didactic session (once a week)						
2.6. Appropriate number & variety of patients covering full complexity scale						
3. Clinical services and resources organized to promote education	3.1 Staff excellent at patient care and training					
	3.2 Experienced based learning, multidisciplinary					
	3.3 Knowledge, skills & attitudes relating to age, gender, culture, ethnicity					
	3.4 Knowledge to understand, prevent and handle adverse patient events					
4. Access to computers/on-line references/ information management						
5. Physical & technical resources meet SCFHS standards of accreditation	5.1 Adequate space for daily work (can be Dental unit)					
	5.2 Facilities for direct observation of clinical skills					
	5.3 Access to meeting room					
	5.4 Facilities for private confidential discussions					
6. Supporting facilities &	6.1 Dental Laboratory					

services	6.2 Dental Implant Facilities						
	6.3 Dental Radiology Unit	OPG					
		BW					
		PA (Digital Sensor)					
		CBCT					
	6.4 Booking Area						
6.5 Dental File/Report Center							
6.6 Access to hospital medical records (in hospital based programs)							

E. CLINICAL, ACADEMIC AND SCHOLARLY CONTENT OF THE PROGRAM

The clinical, academic and scholarly content of the program must be appropriate for a postgraduate education and adequately prepare residents to fulfil all needed competencies. The quality of scholarship in the program will, in part, be demonstrated by a spirit of enquiry during clinical discussions, at the bedside, in clinics or in the community, and, and in seminars, rounds, and conferences. Scholarship implies an in-depth understanding of basic mechanisms of normal and abnormal states and the application of current knowledge to practice.

STANDARD	Met	P. Met	Not Met	NA	Comments
	1. Dental Expert				
1.1 Training programs for dental expertise & decision making skills					
1.2 Teaching consultation to other professionals					
1.3 Structured academic curriculum< Teaching of basic and clinical sciences					
1.4 Weekly Academic Activities					
1.5 Issues of age, gender, culture, ethnicity					
2. Communicator					
2.1 Demonstrate adequate teaching and understanding of communication skills					
2.2 Reporting adverse events, write patient records & utilize electronic medical record					
2.3 Write letters of consultation or referral					
3. Collaborator					
3.1 Ensure effective teaching & development of collaborative skills with inter-professional healthcare team including physicians & other health professionals					
3.2 Manage conflict					
4. Leader					

4.1 Skills in management & administration					
4.2 Allocation of healthcare resources					
4.3 Teaching of management of practice & career					
4.4 Serve in administration & leadership roles					
4.5 Learn principles and practice of quality assurance					
5. Health Advocate					
5.1 Understand, respond, promote health needs of patients, communities & populations					
6. Scholar					
6.1 Teaching skills (WSA or clinical)					
Feedback to resident on their teaching					
6.2 Critical appraisal of dental literature using knowledge of research methodology & biostatistics					
6.3 Promote self-assessment & self-directed learning					
6.4 Conduct a scholarly project					
6.6 Opportunities to attend conferences					
7. Professional					
7.1 Teaching in professional conduct & ethical behaviours					
7.1.1 Deliver high quality care with integrity, honesty, compassion					
7.1.2 Exhibit professional, intra-professional, inter-professional & interpersonal behaviours					
7.1.3 Practice dentistry in an ethically responsible manner					
7.1.4 Analyse/reflect adverse events & strategize to prevent recurrence					
7.2 Bioethics					
7.3 Dentist health & well-being					

F. EVALUATION OF RESIDENT PERFORMANCE					
There must be mechanisms in place to ensure the systematic collection and interpretation of evaluation data on each resident enrolled in the program.					
STANDARD	Met	P. Met	Not Met	NA	Comments
1. Based on goals & objectives					
1.1 Clearly defined methods of evaluation					
2. Evaluation compatible with characteristic being assessed					
2.1 Knowledge					
2.2 Clinical skills by direct observation					

2.3 Attitudes and professionalism					
2.4 Communication abilities with patients & families, colleagues					
2.5 Written communications					
2.6 Collaborating abilities					
2.7 Teaching abilities					
2.8 Age, gender, culture & ethnicity issues					
3. Honest, helpful, timely, documented feedback sessions					
3.1 Ongoing informal feedback					
3.2 Face-to-face meetings					
4. Residents informed of serious concerns					
5. Provides document for successful completion of program					
6. FITER Provided**
