

SAUDI FELLOWSHIP TRAINING PROGRAM

Pediatric Urology

Final Written Examination 2020

Examination Format:

The Saudi subspecialty fellowship and diplomas final written examination shall consist of one paper with 80-120 multiple-choice questions (single best answer out of four options). 10 unscored items can be added for pretesting purposes.

Passing Score:

The passing score is 70%. However, if the percentage of candidates passing the examination before final approval is less than 70%, the passing score must be lowered by one mark at a time aiming at achieving 70% passing rate or 65% passing score whichever comes first. Under no circumstances can the passing score be reduced below 65%.

Blueprint Outlines:

No.	Sections	Percentage (%)
1	Kidney	24
2	Ureter	19
3	Bladder and urethra	25
4	Sexual development	19
5	Evidence based medicine	5
6	Research, Ethics and Professionalism and Patient Safety	8
Total		100%

Note:

Blueprint distributions of the examination may differ up to +/-3% in each category
