

#### SAUDI FELLOWSHIP TRAINING PROGRAM

### **CLINICAL PHARMACY PEDIATRIC**

### **Final Written Examination**

### **Examination Format:**

A Saudi subspecialty fellowship final written examination shall consist of one paper with 80-120 Single Best Answer MCQs. 10% unscored items can be added for pretesting purposes.

### **Passing Score:**

The passing score is 70%. If the percentage of candidates passing the examination before final approval is less than 70%, the passing score must be lowered by one mark at a time aiming at achieving 70% passing rate or 65% passing score whichever comes first. Under no circumstances can the passing score be reduced below 65%.
